**UNITED STATES DISTRICT COURT  
DISTRICT OF NEW JERSEY**

JOHN DOE,

*Plaintiff,*

v.

PRINCETON UNIVERSITY, et  
al.,

*Defendants.*

Civil Action No. 3:19-cv-07853 BRM-TJB

**STIPULATION TO EXTEND  
ANSWER DEADLINE AND  
PROPOSED ORDER**

**Stipulation to Extend Answer Deadline and Proposed Order**

Defendant the Trustees of Princeton University<sup>1</sup> (“Princeton” or “the University”) and Plaintiff John Doe hereby stipulate to extend the time for Princeton to file its Answer to the Amended Complaint until the later of February 2, 2021, or 14 days after the Court acts on Defendants’ pending Motion for Clarification or Status Conference. The reasons for this Stipulation are as follows:

1. On December 16, 2020, the Court granted in part and denied in part Princeton’s Motion to Dismiss the State Law Claims. ECF No. 55. Under Fed. R. Civ. P. 12(a)(4), Defendants therefore must answer the Amended Complaint by December 30, 2020.

2. On December 17, 2020, the Court granted Plaintiffs’ Motion to Reconsider the Court’s prior dismissal of Plaintiff’s Title IX claims and vacated that dismissal. ECF No. 56 at 8. On December 18, Princeton moved the Court to clarify its grant of reconsideration or hold a status conference to address whether the University may submit either supplemental briefing in support of its prior Motion to Dismiss, addressing the Third Circuit decision that was the basis for the grant of reconsideration, or a Renewed Motion to Dismiss the Title IX claims. ECF No. 58. If the University may submit a renewed Motion to Dismiss the Title IX claims or supplement its prior Motion to Dismiss, then it would not answer in regard to those claims unless that

<sup>1</sup> The only claim against the individual Defendants named in the Amended Complaint was dismissed in the Court’s December 16, 2020 Order granting in part and denying in part Plaintiffs’ Motion to Dismiss the State Law Claims. *See* ECF No. 55 (dismissing Count 7, the negligence claim against the individual Defendants).

motion were denied. Thus, the scope of Defendants' Answer will depend on the outcome of the pending motion.

3. Defendants must coordinate with the University in order to answer the allegations in the 250-paragraph Amended Complaint (ECF No. 33-1), which will take more than the time currently remaining under Rule 12(a)(4), particularly given that many of Princeton's administrators are on leave over the holidays. Additional time to answer the Amended Complaint is warranted for this reason as well.

For the foregoing reasons, the parties hereby STIPULATE to extend the time to Answer the Amended Complaint until the later of February 2, 2021, or 14 days after the Court acts on the pending Motion for Clarification.
